Re: 2022 West Virginia Community Development Block Grant Mitigation Applications

The State of West Virginia Department of Community Advancement and Development (WVCAD), a division of the West Virginia Department of Economic Development (WVDED), is releasing applications to municipalities, counties, state agencies, non-profits, and nongovernmental organizations for the General Infrastructure Program. WVCAD is also releasing applications for the Regional and Local Planning Grant for municipalities, counties, state agencies, educational institutions, non-profits, and nongovernmental organizations to undertake planning activities to minimize or eliminate risks and reduce losses from future disasters. Applications to the CDBG-MIT programs and links to upcoming training sessions are available at: www.wvfloddrecovery.com/mitigation. A printed copy can be requested at 304-558-2234. Contact information for the CDBG-Mitigation team is listed below.
